ORDER

HARRY & DAVID OPERATIONS, INC.,  
and HARRY AND DAVID, LLC,

Defendants.

---

CLARKE, Magistrate Judge.

This case comes before the Court on Plaintiff's Unopposed Motion to Dismiss Certain Opt-In Plaintiffs (#148). The FLSA claims conditionally certified as a collective action in this case focus only on claims against Harry & David Operations, Inc. by employees who worked in primarily call-handling positions within the Medford, Oregon call center. The parties have worked together to identify individuals who have joined this action as Fair Labor Standards Act

("FLSA") Opt-In Plaintiffs by filing consent forms, but who do not fit within the individuals covered by the collective class definition for the FLSA claims in this action. Specifically, the parties sought to identify individuals who did not work in a primarily call-handling position at the Medford, Oregon call center during the three years prior to the date their consent forms were filed in this action.

Pursuant to Plaintiff's unopposed motion, the following opt-in plaintiffs are dismissed from this case without prejudice:
